## Sensitive Extra Gentle Easy Brush Cleaners

### With Fluoride Coating

Our softest interdental cleaner gently helps whisk away food and plaque to make your smile just a little brighter. The coated wire slides easily between tight teeth and is extra gentle on your sensitive gums.

All DenTek Interdental Cleaners help reduce tooth decay, fight bad breath and remove food & plaque. The DenTek Sensitive Extra Gentle Easy Brush Cleaners have the benefit of:

- Durable tapered brush that helps clean tight spots; great for braces
  - Comfort wire that bends for better access, but is easy on teeth and gums
  - Fluoride Coating
  - Flexible Handle for comfort and control
  - Minty flavour that helps leaves your mouth feeling fresh
  - Anti-Microbial cap helps keep brush clean between uses
  - Cap fits on grip to extend the handle's reach

## Instructions for Use

### Instructions For Use

- Insert between teeth, interdental spaces, or dental appliances.
  - Use a soft back-and-forth motion to remove plaque and food particles.

- Rinse after use.
- Replace when bristles become worn.
