Slim Brush Fine Interdental Cleaner

Great single use interdental brush.

DenTek Slim Brushes are a single use, interdental option for effective cleaning between teeth. Get all of the cleaning ability of traditional interdental brushes, but with a more hygienic single use option in a compact design.

Don't want to use the same interdental brushes over and over again? DenTek Slim Brushes are single use, but provide as good a clean as traditional interdental brushes:

- Allows for a more hygienic clean
 - Fluoride coated Mint flavour to help leave your mouth feeling fresh
 - Durable fine tapered brush cleans between tight spaces
 - Comfort wire bends for better access but is easy on teeth and gums
 - Flexible handle and wire allows the best angle to clean trouble spots

Instructions for Use

Instructions For Use:

- Insert between teeth, interdental spaces, or dental appliances.
 - Use a soft back and forth motion to remove plaque and food particles.
