

DENTEK CAN SAVE YOU MONEY ON YOUR FAMILY DENTIST BILL

DENTEK, LEADERS IN ORAL HEALTH CARE, CAN SAVE YOU AND THE FAMILY MONEY ON EXPENSIVE DENTAL BILLS.

DenTek's range of floss picks, interdental brush cleaners, dental picks/scalers and tongue cleaners ensure comprehensive and more effective interdental cleaning. By simply adding this 10-minute interdental programme to your family's daily hygiene routine, you could benefit from healthier teeth and mouths whilst saving on time, money and the hassle of a family visit to the dentist. Priced from as little as £3 you can pick DenTek products up from your local high/street pharmacy.

Let DenTek take you and your family 'Beyond Brushing' and be confident that your family's oral hygiene is in safe hands.

"Brushing without flossing is comparable to cleaning only 65% of your body leaving the 35% dirty which simply means you are not completely clean."¹
